

2 x 4 patch: one 5 1/4" square goose fabric, four 2 7/8" squares sky fabric

Quick-Pieced Flying Geese Units

Try this method to make 4 perfect Flying Geese Units at the same time.

1. Place 2 matching red print A squares atop 1 cream B square, right sides facing. On wrong side of A squares, place the Quarter Inch Seam Marker diagonally across the squares, with the yellow center line positioned exactly at opposite corners. Mark stitching lines along both side of the Quarter Inch Seam Marker (*Photo A*).
2. Stitch along both marked sewing lines. Cut between rows of stitching. Press seams toward red print triangles (*Photo B*).
3. Place matching red print A squares atop the cream triangles. In the same manner, mark stitching lines (*Photo C*).
4. Stitch on marked lines (*Photo D*). Cut between rows of stitching (*Photo E*).
5. Press seams toward red triangles to complete 4 Flying Geese Units (*Photo F*).
