

Under the Mistletoe (and the Table Runner)

1. sewing machine with all its parts, extension cord and power strip
2. iron and pressing pad (community pressing stations are great)
3. rotary cutting mat, ruler and cutter
4. fabric and paper scissors
5. pencil and paper for notes
6. thread and bobbins
7. pins
8. add a quarter ruler, if available
9. pressing tool for seams, if available
10. freezer paper for templates
11. seam ripper (just in case!)

Fabric suggestions: fat quarters or fat eighths are great, pre-cutting strips is NOT recommended. Pre-pressing and rolling or laying the fabrics flat will save class time. This is also a great opportunity for fabric swaps to increase variety. One yard of background fabric will be plenty to work with, no need to bring all of it.
